

2017 New Student General Scholarship Application

Thanks to generous donors to the College, Wesleyan is able to provide nearly 600 unique scholarships to students based on various criterion, including academic majors, home city and state, and other qualifications as specified for each award.

These Scholarships include the GKVF Mason Crickard, Culpepper History, McLaughlin Chemistry and English Awards, Hyma awards, and many others. This scholarship application will be used to match students to these opportunities.

Please note that academic scholarships are automatically awarded based on transcript and test scores and that talent-based awards in athletics, performing arts, service, and through the Methodist church require additional tryouts, auditions, or scholarship processes, respectively. Many awards are competitive and have limited recipients.

Filing this application does not guarantee an award but does allow consideration for the applicant.

For consideration, please return this form by March 1, 2017 or earlier.

First Name: _____ Last Name _____ MI _____

Address _____

City: _____ State: _____ Zip _____

Phone: _____ E-mail: _____

County: _____ High School: _____

What is your anticipated Academic Major: _____
