

# INTERNSHIP OPPORTUNITIES

## Experiential Learning Newsletter

### Internships at a Glance

#### In this issue:

- Internships at a Glance
- Online Applications
- Internships in WV

Now is better than ever to start thinking about internships. To gain the upper hand in the job market, your greatest advantage is to have 2-3 internships within your field, in addition to leadership roles, throughout your college career.

In this newsletter you'll find a *few* of the *many* internship opportunities available near Buckhannon, across WV, as well as out-of-state.

Complete the [Internship Application Form](#) if you plan to do this for credit. If you plan to complete an internship without academic credit, complete the experiential learning [survey](#). The Experiential Learning Coordinator, Jill Okes, can provide you support and serve as a liaison to ensure you have a worthwhile educational experience as an intern.
